PETITIONING THE COURT

To modify the conditions of supervision as follows:

The defendant shall abstain from the use of alcoholic beverages and shall not frequent those places where alcohol is the chief item of sale.

Justification: The defendant's supervised released commenced on December 4, 2009. Since that date, there have been no reported violations to the Court. Earlier this year, the defendant began drinking alcohol to sleep at night. He reported his alcohol use has increased and he is drinking heavily. On two separate occasions, the undersigned conducted a home visit only to find the offender under the influence of alcohol. On September 30, 2013, the offender admitted he has an alcohol problem and is willing to abstain from drinking alcohol and visiting places where alcohol is the chief item of sale. Although the offender was afforded the opportunity to attend an inpatient treatment program to treat his alcohol problem, he opted to attend outpatient treatment. He has been placed in weekly counseling and instructed to attend other types of outpatient treatment to help keep him focused. Any other violation conduct will be brought to the Court's attention immediately.

Respectfully submitted,
